Hah ...
I finished on time...!!
Gosh, having to complete it one week earlier really was hard

Fuwah
I'VE BEEN WORKING PART-TIME AS A PROGRAMMER SINCE LAST FALL.
AM 6:09
Yet another all nighter...
IF I go to sleep now I won't be able to wake up...
That was close... I was about to be absent on the first day of the school year
I DO IT TO PAY FOR MY LIVING COSTS, BUT THERE'S ANOTHER REASON AS WELL...

WHEN I WAS FIVE, MY MOTHER GOT A DIVORCE.
SHE DOESN'T LIKE TO TALK ABOUT IT, BUT IT SEEMS MY FATHER'S FREQUENT AFFAIRS WERE THE REASON.
I HAVE THE FAINT MEMORY OF LIVING IN A REALLY BIG HOUSE, SO WE MUST HAVE BEEN RICH.
IF SHE HAD ACCEPTED THE MONEY, SHE WOULD HAVE RECEIVED QUITE A LARGE SUM WHICH WOULD HAVE MADE EVERYTHING EASIER, I GUESS.
LATER, I HEARD THAT MY MOTHER HAD GONE MAD, RUSHING OUT OF THE HOUSE REFUSING CONSOLATION MONEY AS WELL AS CHILD-SUPPORT.
SHE GOT ANGRY AT MY FATHER AND THIS MADE HER FEEL BETTER
WHEN I HEARD ABOUT THAT, I THOUGHT IT SOUNDED JUST LIKE HER

Thank you!

I'm working hard because I have you, Wataru ♡

In the future, I'll work harder for your sake!

I need to get up early tomorrow, so I'm going to sleep now. Good night!

THIS WAS THE ANSWER:

WHEN I TOLD HER SHE DOESN'T NEED TO ANYMORE IN A MAIL...

BUT STILL, MY MOTHER THINKS SHE IS CAUSING ME LOTS OF TROUBLE AND KEEPS WORKING HER BUTT OFF.

~Fiancée Pact~

The three parties of Ougi Tamayo, Aikyou Rika and Mayuzumi Sanae wish to get married to Kaneda Wataru.

However, marriage will take place according to the conditions listed below.

1　Engagement candidates will wear a read ring on their left pinky finger to show that they have joined the pact.

2　Engagement candidates shall protect their innocence. As long as they do so, they may seduce the potential groom in any way they wish.

3　The pact ends with graduation from Eisin Academy. If none of the engagement candidates can form a relationship to the potential groom until then, they will all use their qualification of being a candiate and will never touch the potential groom again.

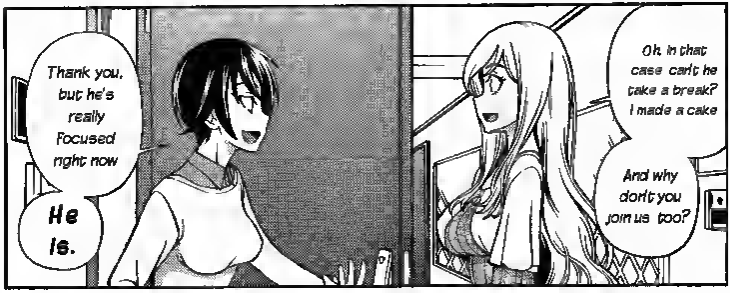
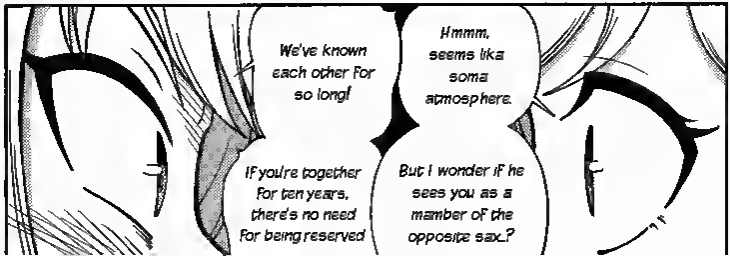
G-good evening.

Note: The way she says 'he' and puts emphasis on it could also imply she is talking about her steady boyfriend





We've known each other for so long!
Hmmm, seems like some atmosphere.
If you're together for ten years, there's no need for being reserved
But I wonder if he sees you as a member of the opposite sex..?

That was just about right.
Aahh♥
Really? I'm so happy ♡
Wataru...

Why are you able to go that far...

Gosh !!!
What's wrong with you people?!!! You're bothering Wataru!!!

Tomo_
You're just pushing rules that are good for you! You're not even thinking of Wataru at all!!!

You've appeared out of the blue! Doing what you want, ignoring your surroundings, stirring up everything!!!

And that also includes not choosing any of us
Is that so?
In the end, Wataru will have the right to choose though
I pretty much get what Ougi and the others are trying to say
Tamayo.
Huh?
B-but...!!
Tomo, I got it, it's Fine.
Call me Tamayo ♡
It's 10 years for me as well
B-BUT IVE KNOWN TOMO SINCE GRADE SCHOOL, THAT'S NORMAL
Th-that's right, I've known Wataru for 10 years!
You call Kurobayashi "Tomo" as well
Why are you sticking up to me?
Why that all of sudden?

In comparison to the 10 years Tomo spent with you...
...I have 10 years during which I never stopped thinking of you.
I want to fight in the same league.
So call me Tamayo, just like you call her Tomo.

Then call me "Saa" ♡
And you can just call me "Rika."
Wataru ♡
Hey, Tomo, are you in any club?
No I'm not
Huh?
She's calling me by first name...
But... I'm not used to that
What are you being all friendly with them?
You will get it if you just do it!
So what do you usually do? A part-time job?
V-video games
Oh, I often play Social Network Games when I'm waiting for my photo shoodings. What kinds of games do you play?
Fighting Games and Shooters and stuff
Oh, those? I like Otome Games.
Huh?

I've dropped my Fork. did it Fall over to your side?
Let's see.
Ah
Oh? Really?
Mh, I can't Find it.
Oh ♡
Sorry, I Flipped it

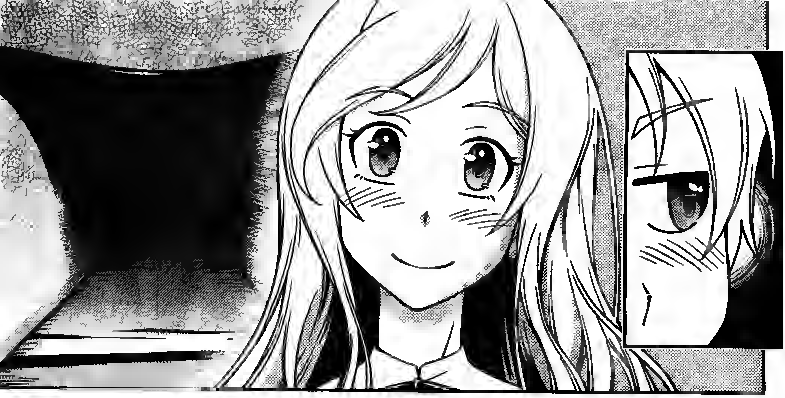
Good morning.
—Morning.
Leaving without us... Isn't that cold of you, Wataru?
When did we decide that we'd go to school together?
Yeah, he's right!



Huh?
Ah, it's nothing.
What?

Hey Wataru we're going to the pool in fourth period right?
I'm so happy there's a warm-water pool here.
Is there anything special about it?
And thinking about you seeing me in a swimsuit makes me so excited!

WE'RE ALREADY WEARING THEM ♡

I've gotten used to it
but just cut it out
Hey, you!
Why are you pretty much enjoying it then!?
And you girls!! What kind of place do you think this is?!!
it's fine, these aren't panties, after all.

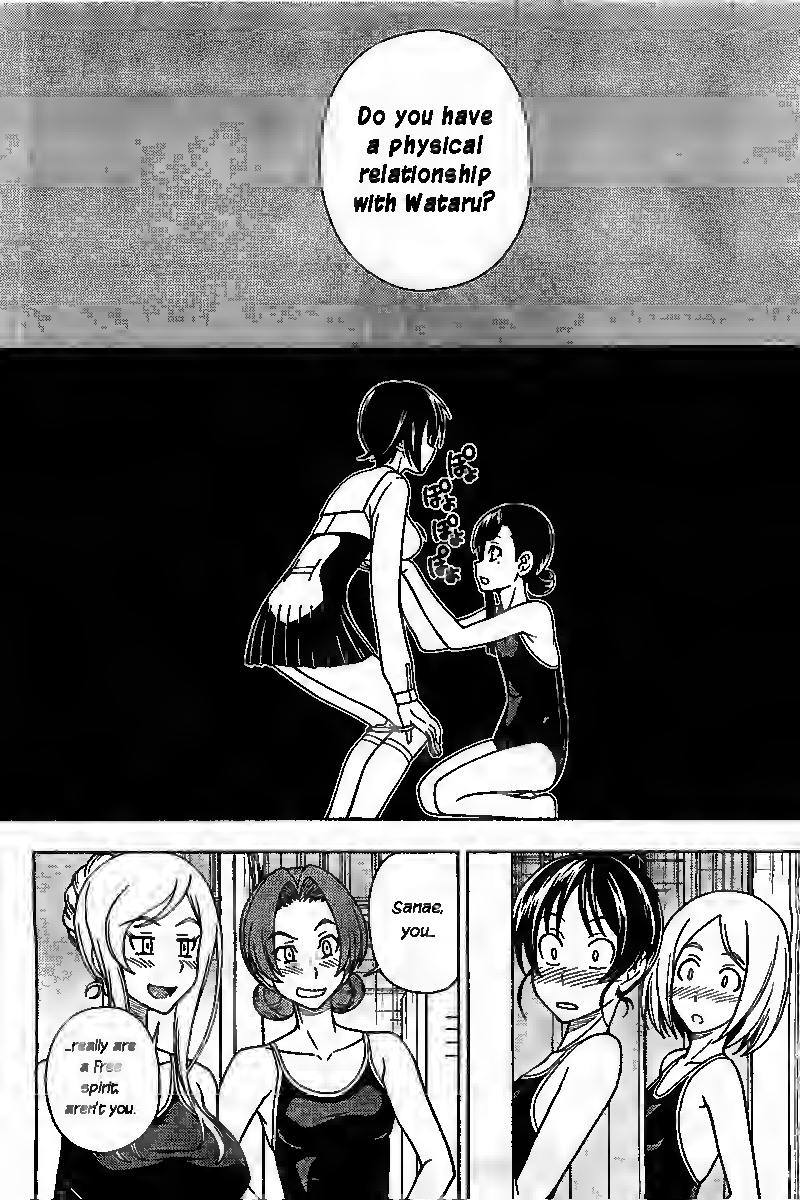
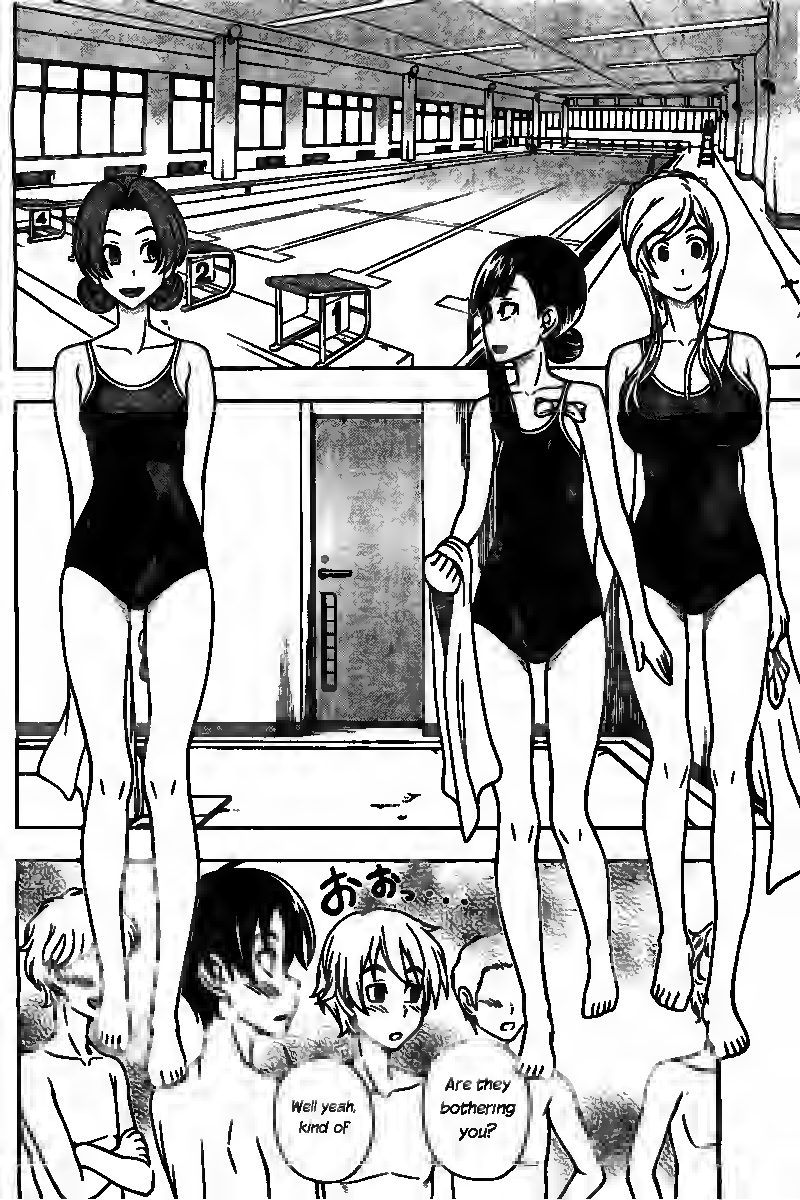
Such beautiful boobs.
Mayu-zumi?
I can't take my pants off
They're so big, yet they have tension.
They're not as loose as Tamayo's.
Erm... I need to change, so...
Oh and by the way, Tomo...



Do you have a physical relationship with Wataru?
ぽよぽよぽよぽよ
Sanae, you...
...really are a free spirit, aren't you.

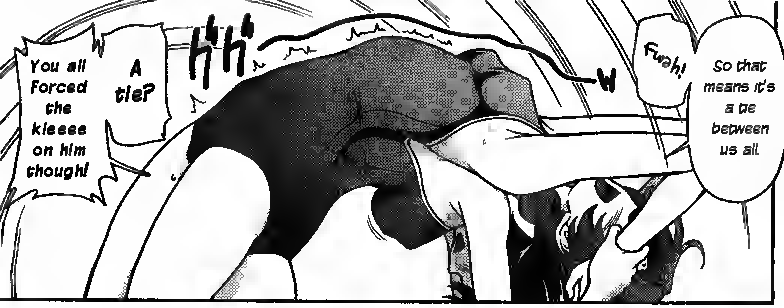
So...
We're still...
No way!
No, not at all.
So what if we did?
Would that make you people give up?
And shouldn't you hurry up and change? Your pants are wearing out.
Shut up!!
Is it always like that with Tomo and those girls?
Yes it really is



おぉ・・・
Are they bothering you?
Well yeah, kind of

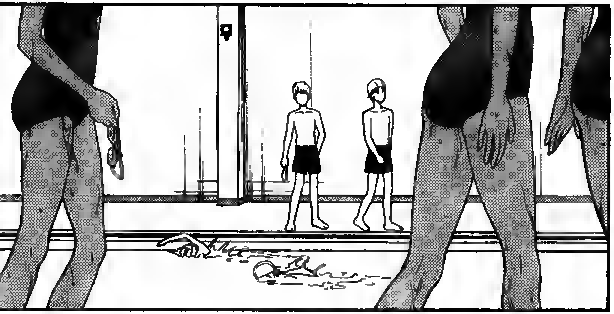
They sure are.
They're really getting all the attention.
Alright! We're doing stretching in groups of two!
Yes, ma'am!
Huh, why?
Why? Because I wanna talk to you
Oh, I see...
Tomo, pair up with me.

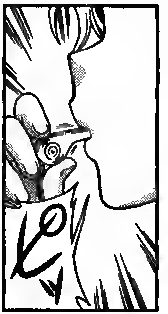
But you know, I wanna know about it, too.
hhhhhh
How is it? Like actually. How far have you and Wataru gone?
Sanae's a bit weird right?
Huh? Yeah, maybe...
Sorry For that beFore.
That's what you're saying, but actually, nothing's happened yet, right?
There has
Well, why don't you ask Wataru about that?
Oh really? I didn't expect that!
So you're doing well!
I-I-If... IF you count in kisses, that is.



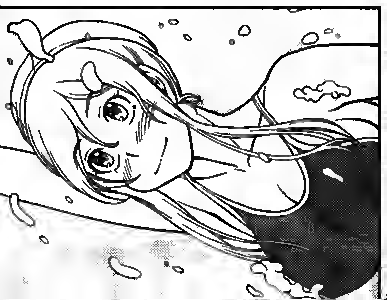
You all forced the kisses on him though!
A tie?
Hh
Fuuh!
So that means it's a tie between us all.

Even so, mine was an accident.
Ouch!
Ahaha♡ You're right!

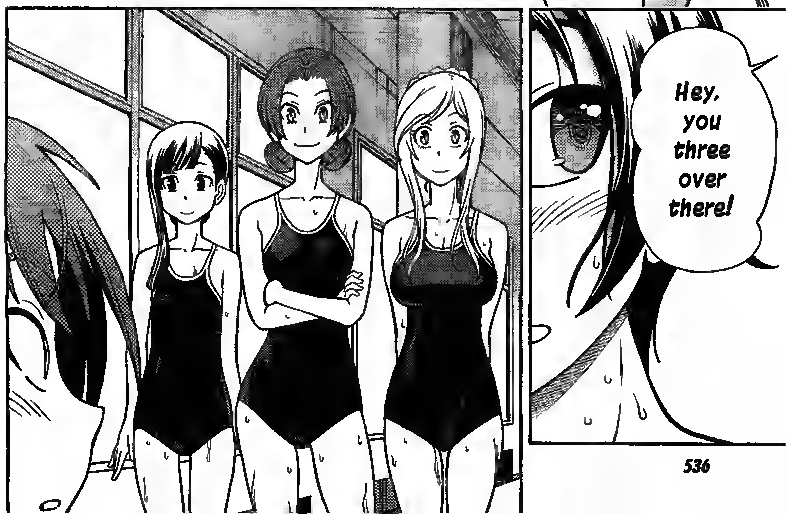




Lol



Just don't romp around too much!
The rest will be free time!
OK, that's it!



Hey, you three over there!

Who knows...
What does she mean?
I don't really see any reason for us to do that though.
HUH?
What do you want?
Won't you race against us?
The winning party gets the right to date Wataru x3
-
x3? Why x3?
hx hx
The losing party is strictly forbidden to disturb or track these dates.
For us that means we'll each have a date with Wataru alone, so he gets to know each one of us.

You people! You're pushing stuff on others again!
But we're just humbly asking you about it.
If you win, you can have three dates with Wataru, without anybody butting in. Would that be OK?
Huh ?!!
Wait!! Wait, wait, wait!!
Why are you counting us in as well?!!
.....
There's no merit for us at all if we join!!
She's right!!
You know, there's limits to forcing stuff on people as well!!
That's it♥
But won't your friendship deepen through this?
.....

Let's give our all!! You two!!
uwah Tomo, wait a second!
...Treat us to something afterwards.

Oh, Kurebayashi.

I'm having a swimming race with Ougi and the others
And the price is the right to date you.
What!?

The right to date!? What the hell is that, Tomo!

What's wrong, Tomo?

Oh!
Kurebayashi and her friends are having a relais competition with Ougi and her girls.
What what, is something going on?
I'm totally sure the transfer students are gonna win.
Of course they will

Alright, let's start with the 3 vs 3 relay of Tee Aikyou against Team Kurobeyeah!!
By the way, they will swim backstroke, breaststroke and freestyle in that order!
Why are you managing this?
Ok then, get set
